Sir:

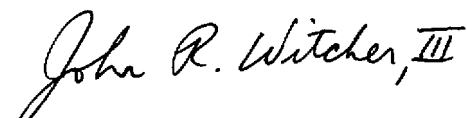

RESUBMISSION OF DECLARATION

Applicant hereby resubmits the Declaration of the inventors, which was originally filed with this application on December 13, 2001. A recent review of PAIR and a telephonic interview between Examiner Haliyur and Applicant's representative, Rick Witcher, on February 28, 2008, revealed that not all of the inventor's signatures were on file, perhaps due to the back side of the two-sided declaration not being scanned. If any fees are required in association with this response, the Director is hereby authorized to charge them to Deposit Account 50-1732, and consider this a petition therefor.

Respectfully submitted,

WITHROW & TERRANOVA, P.L.L.C.
